## Clemson United Methodist Church Ministry Opportunities

*Everyone has gifts and talents to contribute to the ministry of this church and there are many ways to be involved. So, take time to read through the entire brochure to get a picture of the many areas of service available. Then, prayerfully consider where your gifts can best be used at CUMC. Our desire is that everyone be actively involved but remember "burnout" can happen in church too, so for leadership, consider signing up for no more than three ministries and for no more than five support ministries.*

*Each family member should complete a form.*
